In view of the need for the immediate preparation of electoral rolls for referendum in certain Kathiawar states, the Regional Comsr. for the Western Indian and Gujrat States Region requires very badly the services of a competent Gujrati knowing officer having experience of election work. He therefore requests this Government to make it convenient to spare an officer to join at once on deputation. The officer to be deputed will be treated as on foreign service and his salary will be fixed in accordance with the usual rules to the entire satisfaction of Government and the officer concerned.

2. L.D. is concerned with the preparation of electoral rolls in this Province and that Deptt. may be in a position to suggest the name of a suitable Gujarati knowing officer who has experience of election work. Secy., L.D. to whom these papers are marked will therefore please make suitable suggestions in this behalf in the first instance.

3. In this connection, I beg to express my thanks to the H.L.A. for nominating me for depution to do duty under the Regional Commissioner, Rajkot. Since under the relevant B.C.S. Rules, I am entitled to a lien in the Department, I see no need for making any stipulation on that account.

The Regional Commr. has observed that the terms though in accordance with the usual foreign service rules, will be fixed as to secure "entire satisfaction of Bombay Government and the officer concerned". The usual rules referred to may be said to be out of date under the present economic conditions particularly when, as in my case, the officer on deputation is required to maintain two establishments. I accepted this offer without going into this question because I considered it my duty to do so, when the H.L.A. put the offer to me in what may be said "nebulous" form. I propose therefore on joining there to take up the question of the terms and I would expect the Dept'. in which I have a lien and to which I have rendered prolonged service, to support me in any reasonable demand which I may submit to the Regional Commissioner in due course.
